

Turn your MotorCity Miles  
into actual miles.

**Because this is,  
and forever shall be,  
the Motor City.**

## EARN MILES

Every time you play slots or table games<sup>1</sup> with your Club Metro card, you'll be earning MotorCity Miles.<sup>™</sup> Miles are redeemable for Reward Play<sup>®</sup> and all types of complementaries, or can be saved and redeemed for a credit against the cost of a new vehicle. Every 100 MotorCity Miles equal \$1 toward a "vehicle credit voucher" for a new vehicle and your Miles can be earned and saved for a year.<sup>2</sup> We've negotiated discount lease pricing on over 90 GM, Ford and Chrysler vehicles available for a two-year lease, and you can redeem all or any number of your saved Miles against the cost of leasing one of those vehicles. That means, if you have enough saved Miles, you can redeem them for a vehicle credit voucher to be applied against one lease month, seven lease months, or even twelve lease months. You can get more than one vehicle credit voucher, so you can redeem additional saved Miles for another voucher toward your lease later on. It's your choice – you're in the driver's seat.<sup>3</sup>

## REDEEM MILES FOR A CAR

Once you've decided to redeem your Miles toward a new vehicle, simply visit [motorcitymiles.com/drive](https://motorcitymiles.com/drive) to browse our complete vehicle catalog, view the most current lease pricing, and schedule an appointment. Our friendly VIP staff will walk you through the process of redeeming your Miles. They'll make arrangements so our authorized dealer will be ready to provide you with this great opportunity to get a new vehicle.

<sup>1</sup> Excludes Poker

<sup>2</sup> All unredeemed Miles expire 12 months from date earned.

<sup>3</sup> Discount lease pricing applies only to a 2-year lease of cars in catalog. Must meet dealer requirements for a car. See Club Metro for details.

## WHAT TO EXPECT AT THE DEALERSHIP

The Suburban Collection in Troy is the only dealer authorized to accept your vehicle credit voucher. Once you've redeemed your Miles for a vehicle credit voucher, Suburban will be able to apply it toward the cost of the vehicle you choose. You'll need to satisfy Suburban's customary requirements for leasing or buying that vehicle. Once you qualify, the amount of your vehicle credit voucher will be applied against the total amount due for the vehicle. You'll be responsible for all amounts not covered by the vehicle credit voucher. You might be able to "lease up" to a more expensive vehicle (and make the balance of the payments on your own) or "lease down" and save your Miles for other goodies. You might also be able to apply your voucher against the taxes, registration fees and certain other costs — but you will be responsible for vehicle insurance.

## HOW TO KEEP THE CAR

Once you're in your new vehicle, you might be able to keep driving it compliments of MotorCity Casino Hotel®. As you earn more Miles, you'll have the opportunity to redeem them for more vehicle credit vouchers. Miles must be redeemed in 25,000 mile minimums. Simply schedule your appointment at [motorcitymiles.com/drive](https://motorcitymiles.com/drive) when you're ready to redeem for another vehicle credit voucher.

## FAQs

**Q: How long will it take me to earn enough miles for a vehicle?**

A: Everyone plays at different levels, so the earning rate may vary dramatically among Club Metro® members. The easiest way to understand your personal rate of earning is to check your Miles balance between rated gaming sessions at one of our "Manage Your Miles" kiosks. Make sure you always use your Club Metro card whenever you play so your Miles will accumulate at the fastest rate.

**Q: Can I save my Miles and then give them to a friend or family member to apply toward a vehicle?**

A: Absolutely. They need to be a current member of Club Metro and join you at the appointment with VIP services.

**Q: What if I change my mind and decide not to use my Miles toward a new vehicle?**

A: No problem. If you decide not to use your Miles toward a new vehicle, just bring your unredeemed documentation back to VIP Services within 60 days from the date you received it, and we will put the Miles back into your Club Metro account.

**Q: What if I want a vehicle that isn't shown in this catalog?**

A: If the vehicle of your dreams isn't in our catalog, our authorized dealer may be able to get you into the vehicle of your choice. And yes, you could then use your Miles toward that vehicle instead.

**Q: Can I pay the difference if I don't have enough Miles for the vehicle I would like to get?**

A: Absolutely. Members with as few as 25,000 available Miles can redeem those Miles toward a new vehicle lease or purchase. If your current Miles balance won't cover the entire lease or purchase of a new vehicle, just keep earning and saving Miles. When your account has another 25,000 available Miles, you can redeem them toward future payments.

**Q: What dealership do I go to when I'm ready to pick out my new vehicle?**

A: Give VIP services an idea of the vehicle you're looking for and we will provide you with all the contact information for our authorized dealer.

**Q: Is it possible to request more Miles from my Club Metro account if I find a vehicle that is more expensive?**

A: Of course! If you choose a vehicle that is more than you originally intended to spend, you can use as many of your available Miles as you'd like toward the lease or purchase of that vehicle. Our authorized dealer will notify us of the additional Miles needed, and if you have the Miles in your account, we will arrange the transfer of them from your Club Metro account.

**Q: What if I want to use my Miles to pay for taxes on my new vehicle?**

A: Not only can you use your Miles towards taxes, but you can also use them toward some fees, such as registration, security deposit, licenses, tags, title, documentation and even destination fees.

**Q: Will I need to pay for my own vehicle insurance or can I use my Miles to pay for it?**

A: We have packed as many rewards into this vehicle program as we can, but vehicle insurance isn't one of them. You will have to secure and pay for your own.

**Q: Why did I stop receiving Reward Play™ offers in the mail?**

A: The good news is, you don't have to wait to get Reward Play in the mail anymore. You can redeem your available Miles for Reward Play at our casino whenever you want. And, of course, we'll continue to host unique and exciting promotions that feature Reward Play offers.

**Q: How do I convert my Miles to Reward Play?**

A: You can convert your miles in one of three ways:

1. Convert Miles online at [motorcitymiles.com/convert](http://motorcitymiles.com/convert) OR
2. Visit one of our "Manage Your Miles" kiosks to transfer your Miles OR
3. Ask an authorized MotorCity Casino Hotel employee to convert your Miles for you.

Once converted, your Reward Play will be available in your Club Metro account to use at all of our slot machines.

**Q: How many Miles can I convert to Reward Play per day?**

A: That depends on the status of your Club Metro account. ClubMetro members can convert up to \$200 per day, Signature members can convert up to \$500 per day, and Signature Elite members can convert up to \$1000 per day.

**Q: After I convert my miles to Reward Play, how long will it stay in my account?**

A: Once converted, Reward Play is active and usable in your account for 30 days. All unused Reward Play will expire 30 days after conversion.

**Q: How long before my Miles expire?**

A: As long as you remain an active member of Club Metro, your unredeemed Miles won't expire until 12 months after the date you earned them.
