MOTORCITY CASINO HOTEL'S SERVICE EXCELLENCE IS REFLECTED IN THE VARIOUS AWARDS RECEIVED IN 2011

DETROIT (21 September 2011) – MotorCity Casino Hotel recently announced its casino hotel has received the coveted AAA Four Diamond, the Pinnacle and the Meeting Focus Best of MidAmerica Awards for 2011. These awards celebrate service excellence, and confirm their commitment to deliver unparalleled guest service.

MotorCity Casino Hotel has received the AAA Four Diamond rating for the third consecutive year. This award is one of the oldest and most respected rating standards in the hospitality industry. It is awarded to properties that have successfully met and or exceeded the rigorous service and hospitality requirements and guidelines, set forth by AAA.

The hotel also received the Pinnacle Award, which recognizes hotels, conference centers and visitor bureaus for their impeccable service standards. This award is highly regarded by hospitality professionals because the recipients are selected based upon real-life, meeting experiences. Meeting planners throughout the country vote for their industry favorites, and only three Michigan hotels were given this distinction. Successful Meetings Magazine, the meeting planning industry's leading periodical, facilitates this award process.

MotorCity Casino Hotel has also added the Meeting Focus 2011 Best of MidAmerica Award to their service excellence résumé. As one of only four hotels in the state to receive this coveted award, this is further validation of their commitment to service excellence, Meeting Focus Magazine readers select their preferred hotels and resorts based on quality of meeting space, service, food and beverage, guestrooms, activities, amenities and value.
