**(Detroit – April 5, 2017)** - MotorCity Casino Hotel is proud to Tower of Power to Sound Board on Thursday, August 10 at 8:00p.m. Opening for Tower of Power will be Jake Clemons Band.

For close to 50 years, Tower of Power has been creating their own kind of soul music. Since 1968, Tower of Power has delivered their unique brand of music to their fans, appearing before sold out crowds as they tour the world each year. The band's leader and founding member, Emilio Castillo, has labeled Tower's sound as "Urban Soul Music."

Tower's rhythm section lays down a groove like no other band. The band's horn driven sound is unique, and the way they approach everything, from writing and arranging to mixing and performing, is totally their own. Combine all of that with an outstanding lead vocalist and you have one of the most dynamic groups of musicians to ever hit the stage.

Jake Clemons is a singer-songwriter, musician, and is best known as the saxophonist for Bruce Springsteen and the E Street Band. Clemons is a magnet for positive energy, emotion, and creating stories. He plays the guitar, sax, piano and drums, writes music and loves rock 'n roll.
