

FREE BET BLACKJACK

Dealing Procedures

Free Bet Blackjack is a variation of the standard game twenty-one. Free Bet Blackjack offers an optional Pot of Gold wager or a Push 22 wager. To receive cards you must make the standard blackjack wager.

To play against the Pot of Gold payable you must also make the Pot of Gold wager. Both the standard and Pot of Gold wagers must be made prior to receiving cards.

Equipment needed: Casinos must use “Free Bet” lammers, which indicate when a player has opted to take a “free double” or a “free split.”

FREE SPLIT*

Players may split any pairs except 10 value cards (10-10, J-J, Q-Q or K-K) without making an additional wager. The dealer will place a "Free Bet" lammer to the right (dealer's view) of the player's original bet and deal the game normally. There are three possible outcomes:

1. The player beats the dealer.
 - a. The dealer will pay the player for his original bet and an equivalent amount for his free split. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.
2. The player loses to the dealer.
 - a. The dealer will collect the player's original bet. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.
3. The player and the dealer tie.
 - a. The dealer will push the player's original bet. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.

NOTE: If the player busts out of the hand with the original bet, the dealer will place the original hand face down and place the bet on top it. The dealer will collect that bet at the end of the round. If split or re-split hands with Free Bet lammers win, the dealer will pay each lammer the value of the original bet.

Free re-splitting up to four hands is allowed.

If a player wants to take advantage of the Free Split, he holds out two fingers face down next to his original Blackjack wager to signify he wants the Free Split.

Each split hand is won or lost on its own merit (Ex., player can lose original bet on first split hand and still win on the second or more free split hands.)

FREE DOUBLE*

Players may double a two-card hard count of 9, 10 or 11 without making an additional wager. The dealer will place a "Free Bet" lammer to the right (dealer's view) of the player's original bet and deal the game normally. There are three possible outcomes:

1. The player beats the dealer.
 - a. The dealer will pay the player for his original bet and an equivalent amount for his free double. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.

2. The player loses to the dealer.
 - a. The dealer will collect the player's original bet. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.
3. The player and the dealer tie.
 - a. The dealer will push the player's original bet. If the player has made a Pot of Gold wager, the lammer would be moved by the dealer to a spot in front of the player's Pot of Gold wager. If the player didn't make the Pot of Gold wager, the dealer would collect the lammer.

Free doubling after splitting is allowed, provided the player's point total is a two card hard total of 9, 10 or 11.

If a player wants to take advantage of the Free Double, he points with his index finger next to his original Blackjack wager to signify he wants the Free Double.

If the player makes a bet for the dealer, the dealer is also eligible for the Free Split and Free Double along with the player. The same game rules apply to the dealers bet.

POT OF GOLD*

The Pot of Gold wager payouts are based on the total number of gold Free Bet lammers the player collects for each individual blackjack hand. See payouts for odds.

Note: All Pot of Gold wagers lose to a dealer blackjack.

PUSH 22*

If the dealer busts with a point total of 22, all player blackjack bets in action are pushes.

Note: Player blackjacks are paid before the dealer hits out his hand, so they are not affected by the Push 22 rule. In the event that all players' hands bust or have Blackjacks, the dealer will draw cards in order to settle the Push 22 wager.
