Lead singer, Brad Arnold says “over the years we’ve always enjoyed stripping down our songs and playing them acoustic. For us as a live band it breathes new life into these songs, allows us to switch-up our set and dig really deep into our catalog. We’re looking forward to playing in some intimate venues, which we don’t often do, and being up close and personal with our fans.”

For select performances, two exclusive and limited VIP experiences will be offered. The “Sit On The Back Porch with 3DD” package will feature the ability to sit on-stage during 3 Doors Down’s entire set while listening to the bands in-ear mix through custom headphones, Meet & Greet, Photo opportunity, exclusive merch and much more.
