**MOTORCITY CASINO HOTEL AND IRIDESCENCE BOTH RECOGNIZED AS
AAA FOUR DIAMOND AWARD RECIPIENTS**

Distinction marks MotorCity as the only hotel with a four diamond restaurant in Detroit

DETROIT, April 11, 2013 – MotorCity Casino Hotel announced today that its hotel and Iridescence, its fine-dining destination, have both received the distinguished AAA Four Diamond designation in the organization’s hotel and restaurant categories.

The AAA Four Diamond rating is one of the oldest and most respected rating standards in the hospitality and food and beverage industries. The rating is awarded to properties that have successfully met or exceeded the rigorous service and hospitality requirements and guidelines, set forth by AAA.

“We constantly strive to exceed the expectations of our guests, and this distinction reaffirms that,” said Vice President of Non-Gaming Operations Randy Villareal. “This year alone we’re making several updates to our property, including a complete renovation and remodel of our lobby, and state-of-the-art technological and audiovisual enhancements to the property’s meeting and banquet facilities. We’ve installed a TrueHD projector in Sound Board, floor-to-ceiling darkening shades to complement the new projector in Amnesia, and we’ve recently heightened Wi-Fi capabilities throughout the convention areas.”

In addition to 400 superior quality guestrooms, including 33 suites, MotorCity Casino Hotel offers some of the finest value-added amenities in the region, including concierge service, complimentary internet access in every room, a complimentary 24-hour state-of-the-art business center, 24-hour fitness center access, valet parking, and complimentary in-room coffee and bottled water. A 13,000-square-foot, full service spa is also available to guests.
