**(Detroit – September 21, 2015)** MotorCity Casino Hotel is proud to welcome A Solo Acoustic Evening with Brandi Carlile to Sound Board on Thursday, November 5, 2015 at 8:00 p.m.

Brandi Carlile is an alternative country and folk rock singer-songwriter. She has released six albums including *The Story*, *Give Up the Ghost*, and *Live at Benaroya Hall with the Seattle Symphony*, the last reaching number 14 on the Top Rock Albums chart. Her first commercial album, *Brandi Carlile*, was released to critical acclaim and limited commercial success. Her 2007 single *The Story*, from the album of the same name, was a greater commercial success, and was featured in an episode of the TV drama *Grey's Anatomy*, as well as a General Motors commercial.

Carlile's music through the years has been categorized in several genres, including pop, rock, alternative country, and folk. "I've gone through all sorts of vocal phases, from pop to blues to R&B, but no matter what I do, I just can't get the country and western out of my voice," said Carlile. After being introduced to the music of Elton John, Carlile taught herself to play the piano, and at 17 learned to play the guitar.
