June 14, 2015**

**(Detroit – March 4, 2015)** MotorCity Casino Hotel is proud to announce *History's "American Restoration"* with Rick and Kelly Dale, at Sound Board on Sunday, June 14, 2015 at 3 p.m.

Reality television series, "American Restoration" features Rick Dale and his team at Rick's Restorations in Las Vegas, Nevada, as they take rusty, beat-up items and restore them to their original glory. Whether it's a giant gas pump from the 1940s or a Hopalong Cassidy bicycle from the 1950s, every restoration is a high-stakes business project where worthless rust is transformed into a valuable collectible. Every project presents unique challenges for Rick and his team, who develop inventive processes to finish each job flawlessly and on time.

Rick Dale is the owner of Rick's Restorations and an expert restorer of classic objects and artifacts, boasting nearly 30 years in the business. Driven by his clients' desires to restore the memories their items represent, Rick has built his career on an unbridled passion and unique skill for bringing beat-up objects back to better-than-new condition. From a 1960s NASA jet pack to a 1920s grand piano, Rick tackles the toughest of projects with complex mechanical designs and restores them to mint, working condition.

Rick's wife, Kelly Dale, runs the operation from behind the scenes and handles everything on the business side of the shop. Fans may also recognize Kelly as the woman featured in the Rick's Restorations logo.
