(Detroit – August 10, 2016) MotorCity Casino Hotel is proud to welcome Mint Condition with special guest Bel-Ami to Sound Board on Thursday, September 22, 2016 at 8:00 p.m.

Mint Condition formed in the early '80s with lead singer Stokley Williams, guitarist Homer O'Dell, keyboardist Larry Waddell, keyboardist/saxophonist Jeff Allen, keyboardist/guitarist Keri Lewis, and guitarist/bassist Rick Kinchen. The six talented musicians combined a variety of influences and experiences to shape their own sound. The band was featured at the 1986 Minnesota Black Musician Awards program and built a strong core following in a multiple-state area as a result of its dazzling, highly energetic live shows. The band experienced continuous success beginning with the hits "(Breaking My Heart) Pretty Brown Eyes" and "Forever in Your Eyes" from its debut, *Meant to Be Mint* (1991), and with "Nobody Does It Betta" and "(U Send Me) Swinging" from its second album, *From the Mint Factory* (1993). The group continued with the platinum success of the single "What Kind of Man Would I Be" from its gold album *Definition of a Band* (1996).
